	Very quiet in holding yards, no sign of stress in race or crush at weighing. Absolute pleasure to handle. A lot of work has been put into the handling and breeding to make these cattle very docile and a pleasure to handle.

Assessor Comments	47 APR and HBR Registered Spring Drop Weaned Heifers from the Renowned BASSANO ANGUS Herd. These heifers would be ideal to take on to join as breeders with a great srart in life being 280kg ave empty at delivery. Sires of these hfrs mostly BASSANO with one BOONAROO sire used. Historically BASSANO have extensively used A/I and other top sires. These cattle are the most placid cattle I deal with and are an absolute pleasure to handle. Vendors have selected 30 odd heifers off the top and a small tail plus Freemartins have been removed. These heifers come with my highest reccomendation. No warts ringworm or eye issues with any heifers. 83 brothers in sale over two lots.
