Handled With	On foot , Vehicles
Assessor Comments	Good Quality predominantly Angus F1 weaners , cattle handled beautifully through the yards. There is a small number of Droughtmaster weaners in the mob of off bought cows, whilst not the exceptional quality of the rest they still have the potential to go on. The balance are very good quality Angus cross weaners. These steers will be offered weighed delivered CQLX giving the purchaser the opportunity to fill a truck at the upcoming weaner sale.
