Assessor Comments	A well-bred line of 8-10 mths old Ultrablack heifers that are only being offered for sale because of very poor seasonal conditions. These heifers are out of registered Ultrablack & Angus females & are sired by registered Brangus, Ultrablack and Angus Bulls. Several are by well known AI sires inclusing PAlgrove Kingoin, Palgrove Sugar Ray & the $180,000 Millah Murrah Rembrandt. The majority of these would normally be retained in the Bondfield Brangus/Ultrablack stud herd & can be registered if requested at the purchasers request and expense. They are particularly attractive type heifers and are extremely quiet and very well handled. They will develop into very good breeding cows and present in healthy forward store condition. A great opportunity to buy a line of very well bred stud quality future breeders. ***Photos of sires are in the photo gallery of this lot***
