Assessor Comments	Buyers, this is a rare opportunity to buy these steers at this weight. This line of steers presents in store condition averaging 235kg. Steers stand on good bone with length and depth. These steers show nice thickness, spring of rib and have plenty of softness. This is a tremendously well bred line of steers being bred by well above average Talbalba Hereford sires. These steers are especially quiet to handle both in and out of the yards and have had all there vaccinations. 1 steer has small blue eye scaring but not detrimental.
