Assessor Comments	Buyers, Here is an extremely well bred line of young A Grade EU Angus Steers that average 256kg (250 to 287kg). Steers present in good store condition with softness, length, bone and spring of rib. They are easy doing types showing great muscle expression with plenty of room to fill out. These steers have tremendous breed characteristics and a great reputation. Steers are out of medium to large frame Golden Arrow Grazing cows with over 58 years of Angus breeding by stud Booroomooka & Circle 8 Angus sires. Steers are very quiet to handle both in and out of yards. Note 4 steers had old small blue eye scarring and 1 steer with small white underline.
