Handled With	Exceptionally quiet heifers, a credit to the vendor for presenting heifers with this temperament. Bikes , On foot , Vehicles			
Assessor Comments	A small line of exceptionally quiet, good quality, vendor bred, British heifers. The temperament of these heifers is a credit to the vendor and as such would make them perfectly suited as future breeders particularly for someone on a smaller holding. None of this line of heifers have been retained. Alternatively they would also suit backgrounding through to Domestic feeder weights or taking through to heavy kill weights. PLEASE NOTE vendor has a further 18 heavier sisters in the same sale which may assist with freight.
