| Assessor Comments             | A quality line of Ultrablack x weaned steers that present in good forward store condition. These steers were weaned early |                         |                                     |            |

due to the dry weather conditions & have been supplemented with pellets to keep them going forward for potential buyers. Ideally suited to background for a feedlot operation or grow out to fatten as bullocks. The Summers family have always concentrated on improving their herd with different bloodlines to ensure a quality product is offered for sale.
