Assessor Comments	Quality line of the Tops of the Angus & Black Baldy steers off YAVEN. Weighed from 305-373kg at assessment. Well handled steers that were a pleasure to handle. Vendors have been selecting the top end sires at Mundarlo & Injemira Angus studs. The Yaven steers have a good reputation for their doing ability and have had good feed back from past buyers. Buyers please see vendors other 3 lines of steers in the same sale, opportunity to put 97 YAVEN steers back together. Highly recommended by assessor. Any questions please give myself a call.
