Assessor Comments	Top quality line of the Yaven Hereford steers. Weighed in a tight weight bracket from 250-292kg at assessment. Well handled steers that were a pleasure to handle. Vendors have been selecting the top end sires at Yavenvale & Injemira Poll Hereford studs for a number of years. The Yaven steers have a good reputation for their doing ability and have had good feed back from past buyers. Buyers please see vendors other 3 lines of steers in the same sale, opportunity to put 97 YAVEN steers back together. Highly recommended by assessor. Any questions please give myself a call.
