Assessor Comments

Presenting the annual draft of vendor bred steers on behalf of Yopies Pty Ltd of Greta West. These feeder steers have plenty of frame, stretch and breeding behind them that will continue to gain weight given the right opportunities to do so. With these steers already hitting feedlot entry weights, this is a perfect opportunity to purchase a line of cattle to grow out to heavier feeders or to finish off into grass fed bullocks. Please note vendor has another draft of 33 NSM heifers in the same sale.
