Breeding Comments

These steers have been bred out of Pure Angus, Angus X Brangus or Angus Charbray cows by Texas Angus Bulls.

Grazing Conditions

An exceptional start to 2026 has seen the feed begin to hay off, with a good body of Buffel, Flinders, Star and Mitchell grasses, along with native herbage and burr.

Returned same

Burr/Seed in Coat	No Burr or Seed of weeds declared noxious observed in the coats at assessment

	10 Head Old Fly Bites on Neck			
Assessor Comments	Offering 216 Angus X steers to be sold as 3 x 72 head run-out-the-gate B-double lots. Vendor-bred, milk tooth steers that are Teys Grasslands Accredited, PCAS (non-certified), MSA accredited and HGP free, with the added bonus of being treated with Cooper's Bovilis MH + IBR on 8th June. These steers are sired by \$15,000+ Texas Angus bulls out of quality Angus, Angus/Brangus and Angus/Charbray cross cows. At assessment, they weighed 380–530kg to average 464kg (full prior to mustering), with only 3 head under 400kg. They have gained 0.88kg/day over the past 70 days and are presented in forward store condition, displaying excellent frame, bone and shape. The cattle are well educated and easy to handle, having been mustered and calmly worked through the yards, races and crush. Please note there is another line of coloured steers in the same sale, and same-day delivery would be greatly appreciated. Also note that 6 head with more red colouring, white socks and white tails will be drafted from this line into the coloured steer line. For any questions or further clarification, please contact the assessor.			
Assessor	Tom Boyle (Level 1 Accredited) Phone: 0400 018 007
