	Crush		
	Paddock		
Assessor Comments	Quiet: 55 head		Temperament not assessed in
	Slightly Stirry: 1 head		Paddock
	Slightly Stirry: 3 head		
Assessor	These weaners work exceptionally well through the yards as they were drafted before assessment as well as taking the assessing process in their strid with minimal animals becoming unsettled. The stock listed as slightly stirry are only uneasy when isolated and become settle when returned to the mob environment.		
	Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses		
	An opportunity to purchase a very tidy line of Red Angus and Ultra Black cross weaner steers that are known for their exceptional temperament and weight gain performance and are sired by quality TALOOBY Red Angus sires as well as GIDYEA ULTRA BLACK bulls. These steers stand on solid frame with good body type that will see them grow into top quality heavy weight feeders to meet a number of domestic markets. These steers are also backed by TEYS GRASSLAND & NATURE FRESH accreditations as well as being PCAS eligible. All steers in this lot were exceptional to hand through the drafting and assessing process and were mustered to the yards with ease. The steers in this lot were also treated with MOXISTAR pour on at weaning. These steers will not disappoint the successful purchaser. Please note the vendor has another line of the Angus & Ultra Black cross steers in the same sale.
