Assessor Comments	Buyers, Here is a top quality line of weaned EU Organic Hereford heifers that average 242kg. Heifers are soft smooth easy doing feminine types with good length of body and depth of flank. Heifers show nice spring of rib with plenty of volume and skin. Heifers are out of medium to large frame Hereford cows that are on a 45 day join, so they are very even and fertile. Heifers are extremely quiet to handle, with a great reputation for performance on grass. Heifers are Grass only eligible. 5 heifers had old blight scaring but not detrimental.
