Assessor Comments	A very good quality line of Weaner Steers. 1 brand vendor bred. Angus & Angus Cross types drafted out of Weaner Steers. Steers have been fed hay, silage, grain mix in smaller paddock to ensure continued growth and minimal set back due to dry conditions. Well bred cattle that have performed well for previous purchasers. Usually taken through to heavier feeders but season dictates early sale. Steers are well grown in good store to forward store condition and show good bone and type. Note - vendor is offering September 1st Payment to purchasers. Purchasers must nominate settling agent prior to sale and agent must accept debt. Vendor has 3 other lots this sale. Can fully recommended these steers.
