| Assessor Comments                     | A very good line of 1 brand vendor bred Weaner Steers. Steers have been fed hay, silage and grain mix in smaller paddocks to ensure continued growth and minimal setback from continuing dry conditions. Well bred cattle that have performed very well for previous purchasers. Normally taken through to heavier feedlot cattle but season dictates early sale. Steers are well grown in good store to forward store condition and show good bone and type. Note - vendor is offering September 1st Payment to purchasers. Purchasers must nominate settling agent prior to sale and agent must accept debt. Vendor has 3 other lots this sale. Can fully recommended these steers. |                                                             |                                     |            |
