Assessor Comments	A very good line of principally Angus Steers only offered for sale due to ongoing dry conditions. Approx 90 head 1 brand purchased as light conditioned weaners ex Goondiwindi District (Te Mania Bloodline). Steers show traits of being well bred. Steers have been supplementary fed in the paddock with a hay, grain and straw ration and are doing well. Well grown steers that show good bone and type. Will suit feedlot operation or take through to heavier kill weights.
