Handled With	Weaners were generally settled but wanted to trot about when under pressure. Would benefit from more handling Bikes , Dogs , Horses , On foot
Assessor Comments	A neat deck line of predominately Charbray weaned steers. Steers are mostly out of Trifecta charbray commercial cows by registered charbray bulls with the odd steer off a purchased cow calf unit. These steers are of very good quality and show excellent bone and shape. Would grow into exceptional bullocks. Vendor has two other lots in this sale.
