Vendor Comments

Annual draft of weaners, well bred and well handled. Mustered with bikes, horses & dogs.

Temperament	Yards	Crush	Paddock
	Quiet: 38 head Slightly Stirry: 2 head	Quiet: 34 head Slightly Stirry: 6 head	Temperament not assessed in Paddock

Handled With	Bikes , Dogs , Horses
Assessor Comments	A line of Angus weaner steers presenting in strong store condition which will be weaned from day of assessment. Steers were good to handle at assessment with only a small percentage stirring in the crush but settling immediately after. Steers are well bred with Eaglehawk and Alamy creek bloodlines and have been bred on lighter forest country and should do very well for potential buyers.
