Assessor Comments	Vendor bred & full Eaglehawk blood. Buyers look on here. Soft, quiet vendor bred Angus x Angus heifers. Make ideal future breeders to put away or to background for feeders, grass fed & antibiotic free. Heifers with depth, length & a Tonne of softness. Heifers have been running out in the forestry paddocks since weaning, and have only been brought back into the grazing country last week. Heifers will power ahead given the opportunity. Don't miss the chance to purchase quality Angus heifers with the breeding these have. Buyers there are 10 heifers with old ringworm scarring. Heifers are used to single electric fence and easy to handle.
