Assessor Comments	Buyers, a great opportunity to secure the lead draft of the Barford no 6 strs. VGQ Vendor Bred Bdouble line of soft crossbred steers. Bred out of large framed Santa,Simmental ,Charolais cross cows sired by Santa and Simmental stud sires. Steers show great weight for age ,good bone ,length and depth and have the breeding to perform on grain or grass .Bunk trained as they have been assisted in the paddock with weaner pellets & Mitchell grass hay since weaning. Ideally suited to the Domestic feeder market as they were drafted into tight 330 -410 kg weight range ,alternatively would suit to take through to lucrative grass fed bullock market. Please note one steer has slight blight scarring in one eye not considered detrimental, the two steers with horn are inside ears.
