Assessor Comments	Buyer, on offer is a quality line of 19 Angus & Angus Cross mix sexed weaners for your consideration. This line consists of 11 castrated steers and 8 heifers, and were very quiet and easy to handle making them an ideal backgrounder article. Weaners have only become up for sale as vendors have experienced on going dry conditions, meaning these weaners are still presenting in store condition and will acclimatise quicker than those coming off their mothers in better pastures. Buyers, this is a rare chance to purchase light weight weaners which will suit all domestic feeder markets in the future with the added benefit of being located 5 minutes off the Leichhardt Highway at Wandoan QLD.
