Assessor Comments	Buyers on offer is 58 good quality, soft, well handled, feminine heifers. Heifers stand on good bone, showing great weight for age & plenty of frame. Majority of lighter heifers have been weaned off mulga country and will power ahead on good feed. These heifers would be ideal to lock away for the winter and target the domestic feeder markets. Heifers also could be purchased for future breeders, with exceptional temperament & their older sisters boasting a 96% - 98% pregnancy rate at yearling joining for several years.
