Assessor Comments: A very good line of Angus Steers which would normally be held through to heavy feeders. Majority 1 Brand with approx 12 head different brand. These were the steers that were mouthed and there was 3 x 2th (Incl 1 x just cutting). These steers were from 390-460kgs (2th's). Steers are medium frame and show good bone and type. Majority (approx 66 head) 1 brand purchased ex Coonamble are 13-16 Months. 4 Smaller steers in mob only appears to be age related. Good quality steers to take through to Angus Feeder Steer market. Note Vendor has another lot of PTE Heifers this Sale.
