Assessor Comments: Buyers a good line of well bred Angus Steers that are well handled and have been weaned for 5mths. These Steers were early weaned due to the dry conditions and present in good strong store condition. Steers are starting to show their Winter coats and would be the ideal article to put onto a Winter Oats or herbages. These Steers are well known in the local district being out of a well bred Angus Cow herd that are based on performance being based on Te Mania and Raff Angus blood. Please note same vendor is offering 115 of the Heifer portion in the same sale.
