Assessor Comments	Buyers a line of Weaned Vendor Bred Angus Heifers that present in store condition and are carrying no excess condition. Cattle have been weaned and are now running on a small amount of green pick along side lucerne hay. Cattle are out of quality Angus cows by Millah Murrah Angus Bulls. Heifers would be ideal to put away on oats and grown out to future feeder cattle or the market of your choice. (please note 4 heifers were treated and patched for pink eye 1-2 weeks prior to assessment for pink eye and are now healing. Also note brother lot in the same sale.)
