Assessor Comments	A small but nice quality line of Crossbred Feeder Steers. Steers all showing as Life Time Traceable on the NLIS database. Steers are well grown and would suit to continue on feed for a 100 Day Feeder Program. Steers have received their 1st shot of Bovilis MH + IBR. Please note that the vendor has another lot of steers in this sale, which would make up a 2 deck truck lot.
