Assessor Comments	On offer is an excellent line of the famous Mungalla stud Weaners. This line consists of 80 of the lighter steers, these steers have been weaned since the 2/4/26 and are ready to explode onto crop. These steers have excellent frame, bone and have plenty of compensatory gain. These steers are generally retained and grown into heavy feeders or bullocks. These cattle were a pleasure to handle, A mob not to be missed Please note vendor has 3 lots in this sale
