Assessor Comments	Buyers an opportunity to secure a good line of USDA ,NOP ,KOREAN Organic Certified feeder heifers. A mix of Vendor bred and some purchased heifers from Western Queensland they predominantly show good bone and shape and should perform well on grass or grain. Ideally suited to take through to lucrative Organic slaughter weights or ,alternatively for the conventional buyer they were drafted into a 400-500 kg weight spec to suit the 100 day feeder market and mouthed 0/2 tooth. Heifers will suit all pasture fed programmes as they have been Organically raised with no inputs. Please note 2 heifers have old blight scarring in one eye and some showing lice rub marks. Vendor has light 2 decks of older heifers this sale.
