Heifers were very good to handle

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	Buyers a good line of EU accredited angus heifers with all the hard work done. Heifers were kept with the intention of either joining or taking on to feeder weights, However continued wet weather has forced them onto the market. 1 heifer noted with minor blue eye scarring. Same vendor has a sister lot in same sale. 1 heifer has a large amount of white underneath. odd heifer with white around udder
