Assessor Comments	A quality line of vendor bred Angus & Angus Cross Heifers, which present in a strong store condition averaging 220kgs at assessment. Heifers have been running in 300 plus head mobs and have been handled with dogs and bikes. These Heifers are out of Angus Cows which are predominately large in frame. These cattle are also sired by Four O Eight and Gates Angus Bulls. These cattle present a good opportunity to purchase Heifers that are all frame and offer plenty of compensatory weight gain. Please note this vendor has 2 other lots in this sale.
