Handled With	Quiet heifers that are a pleasure to handle. Two animals were slightly stirry under pressure but settled well in the mob. Bikes , Horses , On foot			
Assessor Comments	A very good line of well bred Santa Gertrudis future breeders ranging from 7 to 14 months old. These heifers are of lovely temperament, stand on good bone and have great conformation. With the opportunity to join to the bull of your choice, they present as a great breeding prospect. With the genetics behind them, they would similarly perform well as a backgrounding article on grass or grain. Seasonal ringworm was noticed on a small percentage of heifers.
