Assessor Comments	Well bred line of weaned calves. Steers represent complete drop of baldy calves and offered for genuine Sale. Steers weighed 154-278kg at assessment. Ideal opportunity with plenty of frame and good temperament to work with. Bred from larger framed cows, they present evenly and in fresh store condition. Calves originally were going to be retained for grazing crops and into the spring but the onset of winter has brought them to the market. Please call for further information and view video to appreciate their temperament.
