Assessor Comments	A line of the heavier weaner heifers being offered by Nungatta Station that present in genuine store condition and have been well handled, These cattle are normally grown out to feeder weights but a tightening season has pushed them onto the market earlier, Repeat buyers have consistently commented positively on their performance in both grain and grass programs. The are bred from medium frame Cows and Bulls selected for strong carcass traits. There are 5 Red & Red Baldy Heifers, 1 Grey Heifer, 4 Black Baldy Heifers and 21 Black Heifers in the draft of which Approx 9 are showing more to the Angus Type. 3 Heifers had very slight pink eye blemish in 1 eye only . Please note due to a technical issue the 2 lots of heifers have been photographed & videoed together but they show a fair representation of both lots. 5 lots In total being offered by the vendor in this sale
