Assessor Comments	Top quality line of weaned Poll Hereford heifers. These heifers are bred out of large to medium frame Yavenvale & Glenellerslie blood cows and are sired by a Yavenvale Poll Hereford bull. The vendor's complete drop of spring-born heifers is on offer, with no heifers retained. Quiet, easy to handle cattle, they present an excellent opportunity to secure quality future breeding females ready for a spring joining program. Alternatively, these heifers would be well suited to a backgrounding program. The vendor is also offering 4 Autumn drop heifers in the same sale.
