Assessor Comments	A very nice line of heifers off the "Le Martres" Limousin stud. These heifers are usually retained and are only being offered to reduce some commerical heifers. Pure Le Martres bloodlines, going back to the "Governor" sire lines. These heifers are all by Le Martres Mastro. Both these sires are in the photos for reference. This is an excellent opportunity to purchase some extremely well-bred pure Limousin heifers. A great addition to your breeding program.
