At assessment, the steers averaged 290kg and offer outstanding potential to develop into heavy feeder steers or bullocks with the right feeding program. These quality steers display excellent bone, depth, and overall frame, providing buyers with confidence in their

	future performance. Quiet and easy to handle, they are a pleasure to work with and present an ideal option for backgrounders, feeders, or those looking to add weight and value through to heavier markets. * please note one has old pink eye scaring 1 of 2 lots in weaner sale
