|                                       | These cattle are grazed in a rotation program and are handled every third day. They are Absolutely very quiet and a pleasure to handle. They move well in the yards. Their temperament is extremely QUIET.                                                                                                                                                                                                                                                                                 |
| Handled With                          | On foot , Vehicles                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Assessor Comments                     | Young Angus STEERS which have outstanding bloodlines including; Banquet, Te Mania and Glendan Park Angus. They are sired by the Black Onyx AI sire and followed with Glendan Park Angus Bulls. They are extremely quiet and are showing store condition with winter coats. They are ready to be taken from a disadvantaged season to someplace where they will perform. They have tonnes of breeding and temperament is outstanding. Will make excellent future Bullocks or feeder steers. |
