Assessor Comments	A nice line of EU accredited Angus steers. Vendor bred, antibiotic free and grass fed only, making them eligible for all grass finishing programs. Running under a centre pivot and on the do. Their temperament throughout the assessment was

	outstanding, making them very easy to handle. Their weight for age, breeding and condition is a credit to vendors John and Liz. Bred from a pure Nampara program. The 5 Mile Cattle are proven performers and will grow out to massive bullocks.
