Assessor Comments	An outstanding run of Angus feeder Steers from the Kerr Family that show great weight for age. Steers are sired by top end Pathfinder sires with no money being spared. Steers show great length and depth and are ready to explode whether on grass or grain. These steers are Greenhams Never Ever Accredited, Grass Fed only and Antibiotic free. These steers will not disappoint for the successful purchaser and come with my highest recommendations. Please note steers were assessed over 2 properties being given all the same nutrition and will be trucked to 1 property for easy delivery.
