Steers 2nd run through the race at assessment being drafted through the pound the day before. handled exceptionally well with only a small percentage becoming agitated in the weigh box and or pushing in. Settled easily once back in the yards and will only improve with more handling from assessment to delivery.

Handled With	Aerial (Helicopters, gyro's and planes) , Bikes , Horses , On foot , Vehicles
Assessor Comments	STEER BACKGROUNDERS & BULLOCK FATTNERS TAKE NOTE OF THESE QUALITY VENDOR BRED FLATBACK WEANER STEERS. A very good line of young Charolais/Charbray Cross steers. Well suited to southern markets with plenty of softness about them. Steers are Large to moderate frame, displaying plenty of bone and quality confirmation. These are Freshly weaned steers in forward condition however show plenty of growth potential, and have over 250 days of HGP left to run! All display tidy heads and an excellent temperament. The mothers of these steers is heavily influenced by the highly regarded Bungoona bloodlines with Charolais genetics through the core breeding herd including River Glen. Assessed 10 days off mothers & handled very well through the draft and scales. 92% flatback with 8% minimal hump height steers. All the hard work has been done, ready for a purchaser to take advantage of growing out these steers further. 6hd 200-220kg, 72hd 220-300kg and 30hd 300kg+ (full weight at assessment).
