Assessor Comments	112 VGQ HGP Free Vendor Bred Angus Steers. They Exhibit Very Good Bone, Length, Depth and Frame for their age and have Good Feet. Bred out of Large Frame, classed "Te Mania" Blood Cows by VGQ "Te Mania" Bulls. Highly Regarded Cattle that are ideal to finish on Grain & all Milk Teeth. Take note of the frame & forward store condition, Steers are probably growing a frame & maintaining condition at present so will explode on better quality feed. All of the Steers were weighed, mouthed & assessed after being in yards for 3 days on Hay & Water. A good portion were already 15 - 20 kg lighter at assessment than when they first came in 3 days ago & a 4% shrink has been applied to their full weights (make your own adjustments). These Steers are part of a 7 deck "run of the gate" mob split into this 4 deck & another 3 deck unit. Above traits are the total for the 196 head. Vendor has 4 decks of Heavier Steers in the same sale. Aldingham has minimal Prickly Acacia in the paddocks the steers came out of. *Monday or Tuesday delivery only.*
