Assessor Comments	A very good line of Angus and Angus Cross Heifers. Purchased heifers - mainly from Tamworth and Coonamble districts. Excellent temperament. Heifers are in good store condition. These heifers show traits of good breeding and are of good type and show good bone and muscle. Heifers are just starting to do well after June rain and ready to go ahead on good feed. Odd heifer showing signs of lice starting. All heifers preg tested not detectable 20/07/2026 by a vet. Very good heifers to take through to trade/export feeder weights or show quality to be kept as future breeders. Note vendor has another 2 lots this sale - 55 Heifers, 112 Steers.
