Assessor Comments: Buyers on offer is exceptional line of vendor-bred Angus and Angus-Cross Heifers presenting in store condition. These heifers are typically retained, grown out, and marketed into Angus feeder programs, and are only being offered for sale due to dry seasonal conditions. They are notable performers and will perform very well on good feed, making them ideally suited to any backgrounding operation or feeding program. The heifers have an excellent reputation for temperament and doing ability, and would also make outstanding future breeders. This even line, predominantly Angus heifers, are out of Angus cows by stud quality Burenda and Jen-Daview Angus bulls with a small percentage showing slight cross. Please note 1of heifers have white on udder and 1 heifer has old blue eye scaring but not detrimental, please see photos and videos for breed satisfaction.
