Assessor	A good line 22 Charolais & Santa cross weaner heifers weighing 297kgs curfewed at assessment. These young heifers present in healthy store condition with good frame, depth and softness, offering excellent potential for good compensatory weight gains. Having been bunk trained, they are well prepared for a smooth transition onto a ration or can be successfully backgrounded on crop or improved pastures. An even line of, well handled heifers suited to backgrounding programs, with the versatility to meet the domestic or export feedlot market specifications. * Buyers please note a small % of heifers with rub marks but not deemed detrimental to their health.* Also please note the same vendor as another lot of heifers in the same sale.*
