Assessor Comments	A good line of 42 Angus and Angus cross weaner heifers weighing 303kg curfewed at assessment. These young heifers present in healthy store condition with good frame, depth and softness, offering excellent potential for good compensatory weight gains. Having been bunk trained, they are well prepared for a smooth transition onto a ration or can be successfully backgrounded on crop or improved pastures. A genuine line of even, well handled heifers suited to backgrounding programs, with the versatility to meet a range of market specifications. * Buyers please not a small % of heifers with rub marks but not deemed detrimental to their health.* Also please note the same vendor as another lot of heifers in the same sale.*
