Assessor Comments	8 Good quality Palgrove Charolais/Angus cross heifers weighing 297kg curfewed at assessment. These well-bred heifers present in store to forward store condition, displaying excellent frame, length, muscle expression and softness, with outstanding weight-for-age and future growth potential. Currently grazing native pastures and being supplemented with XLR8 pellets, they are performing well and are ready to continue through a backgrounding program. Their quality crossbred genetics make them ideal for further backgrounding before entering feedlot programs, paddock-to-plate operations or being grown through to heavy processor weights. A genuine, even line of versatile heifers offering buyers excellent performance and market flexibility.* Buyers please not same vendor has another heifer lot & 2 steer lots in the same sale.*
