Assessor Comments	A quality line of 17 young Angus steers weighing 290kg curfewed at assessment. Sired by proven Broadwater Angus genetics, these steers present in store to forward store condition with excellent frame, depth and growth potential. Currently grazing native pastures and being supplemented with XLR8 pellets, they are performing well and are ready to continue on an upward growth curve. Ideal to further background before entering any Angus feedlot program or equally suited to being taken through to heavy processor weights. A genuine line of well-bred, even steers offering buyers outstanding versatility and performance potential. * Buyers please not same vendor has another steer lot & 2 Heifers lots in the same sale.*
