Assessor Comments	Lovely line of 55 charolais x weaned heifers. Majority of the calves are sired by Calmview Charolais bulls over santa and angus cows. Heifers have been weaned since April where they were worked numerous times a week with horses and dogs. Would make outstanding domestic trade feeders heifers, 100 day feeder heifers or a portion of these heifers would make great line of breeders. Please note the brothers of these heifers are on offer as well.
