Assessor Comments	58 EU-accredited Angus x steers, out of Carra Park-blood cows and sired by Glenavon bulls. Vendor has selected bulls based on fertility, growth, and IMF, ensuring strong genetic performance. Steers are up to date with all animal health treatments and present in good condition. They are suitable to take home and alternatively finish as heavy feeders or for the export market. Three steers have old pink eye scarring in one eye, which does not affect their vision in any way. there are 90 Angus steers in the same sale
