Notable Traits	Traits 3 Head Blue eye old scarring 1 Head Ringworm (small amount on head) 1 Head White belly
Assessor Comments	A nice line of young heifers that show plenty of quality behind them. A portion were purchased as calves at foot from the Riverina NSW and the balance sired by top shelf Palgrove Angus sires. These weaners have recently been mustered, locked up and trucked down to Dubbo for buyer convenience for delivery from Cunnamulla QLD. Given this these weaners will have a lot of compensatory gain for their purchaser in comparison to their weight for their frame currently. A quality article with 5 lots total in sale.
